WEAR YOUR RED RIBBON
& Anything else formal, festive, or fabulous!

Since our founding, we have been committed to fighting the HIV epidemic until this crisis is over. Advances in treatment and new prevention strategies have now made “Getting to Zero” – zero stigma, zero new infections, and zero deaths – an achievable goal! The focus of all of our programs is to achieve the goal of getting to zero.

Our From All Walks of Life Fund supports the most vulnerable people living with HIV through financial assistance grants during times of crisis. Our annual back-to-school drive and holiday toy drives support HIV infected/affected youth.

Our public awareness and education efforts are designed to combat the stigmas associated with HIV, and to raise awareness and educate the community about the newest prevention strategies, including PrEP (pre-exposure prophylactics), PEP (post exposure prophylactics), TasP (treatment as prevention) and the advances in the care and treatment of HIV.

Our signature events, AIDS Walk Philly, GayBINGO, and Black-Tie GayBINGO, draw attention to the continuing epidemic, and raise critical funds to support our efforts.
